Critique – Crufts Dog Show
Judge: Mrs B Sweigart

First, I would like to thank the show committee at Crufts for inviting me to judge this wonderful little breed that has been part of my life for the past 50+ years. Also, I would like to thank all the breeders and the exhibitors who brought such a wonderful entry of such quality dogs. It was a joy to be able to judge so many dogs that were of such high-quality.

Veteran Dog (1) 1 Nash's Ralph Of House Nash ShCEx VW: well-made, black and tan dog in great condition attractive head and expression. Nice dark eye, carry a good top line, moved well overall a very lovely dog.

Puppy Dog (3) 1 Thompson-Morgan's Belleville Infamous Colin: A very promising pup with a good outline, lovely head and expression, lovely dark eye, not too big, the right size and shape, beautiful shoulder lay back and a lovely reach of neck a strong top line and a strong rear he moved and carried himself with confidence. **2 Gee's Watercraft Hallmark:** another well-made short coupled of dog presented in very good condition. He carried a good top line and well set tail. He had a pleasant head and expression with well placed ears Front assembly, not quite as good as that of number one. **3 Smith's Javidel May You Never**

Junior Dog (4) 1 Gee's Watercroft Moondust: a lovely black and tan dog with a good outline short couple with a strong top line. He had a lovely head and expression and nice dark guy. He was in great coat and moved well. He had good legs and feet to carry him around good regulation, pushing forward on short strong hocks. **2 Davis' Watercroft Cosmic Dust:** Nicely made dog, good outline, strong top line, well set tail, good legs and feet. Did not carry himself quite as well as the first place dog. **3 Lincoln's Earthtaw Patrick**

Post Graduate Dog (10) 1 Morgan-Thompson's Belleville Playmate: lovely red dog with good outline, good head and expression nice shoulder lay back into a strong top line with a well set tail, good legs and feet, moved well around the ring and coming and going. **2 Phillips' Blakens It's In The Mix:** Another nice red dog with a good head and expression good top line with the well set tail good proportions carried himself well around the ring not quite as well-made in front of number one. **3 Darnell's Jacquidon Hot Off The Press**

Limit Dog (8) 1 Gee's Watercroft Tiger Feet: I would go onto award the dog reserve CC he was presented in lovely condition. He had a good head very nice expression. He was short backed with a level top line and a good tail set. Nice front end assembly good on legs and feet. His rear matched his front and he moved around the ring easily. **2 Hurrion's Way Too Cool for Choos:** A nice outline dog with a good head and expression nice dark eye, well placed good neck and shoulder strong top line and good tail set moved around the ring easily not quite as good coat as number one. **3 Earthtaw Lincoln**

Open Dog (3) I was presented with three lovely dogs first going to Jenkins' Kinsridge Cash Point: this dog was a joy to examine all of one piece from his very lovely head and expression with a lovely, dark eye, and well placed ears he had lovely reach of neck into well placed shoulders and a strong top line, with good tail set and strong quarters. He had good legs and feet and moved around the ring with ease. I would award him, the dog CC and best of breed. **2 Thompson-Morgan's Belleville Plum Sauce:** Nice outline, dog good length of back well set tail nice head and expression dark eye. He moved well and carried himself well. **3 Decoo's Multi/Int Ch Stuivenbrum Cappuccino**

Good Citizen Dog (2) 1 Powell's Watercroft Brown Boots: well presented in good coat good outline moved well. **2 Wren's Jaeva Strut Your Stuff:** another good representative of the breed good outline in good coat with pleasing expression moved nicely

Veteran Bitch (1) 1 Gee's Ch Watercroft Pink Fizz: presented in absolutely beautiful condition with a lovely, harsh, red coat, lovely head expression with dark eyes and well set ears, nice neck and shoulder and good topline. She moved well and showed herself to her best

Puppy Bitch (5) This was a lovely class to judge, and would be proud to have bred anyone of them My first place was Phillips' Blakens Candy Bar Girl: this puppy had what I think is hard to achieve a beautiful outline with good reach of neck into well set shoulders, a strong top line and a strong, broad rear with a well set tail. She had a lovely head and expression with dark eyes and good pigment. She had good bone, straight front legs with nice tight feet her rear was wide with short, strong hocks she moved well coming and going, and certainly carried herself around the ring with confidence I would go onto award her best puppy. **2 Gee's Watercroft Nora Batty:** another lovely outline with a nice short, strong back a good coat with good head and expression and good tail set she moved on four good legs. **3 Smith's Javidel May To December**

Junior Bitch (3) 1 Dragon & Tate's Noragad's Royal Flush with Jaeva: Lovely outline short coupled strong backed black, and tan. She had a lovely head expression with well placed ears good, neck and shoulder she moved well on for good legs. **2 Smith's Javidel May To December:** A nice outline with a nice hard coat, good expression good shoulders into a good top line. She moved well, coming and going not quite the package that was number one. **3 Hurrion's Villassa All The Way**

Post Graduate Bitch (7) 1 Silverlily Of Housenash at Raphiggy: nice outline black and tan bitch with a good coat. She had a nice head and expression with good ears. Good shoulder placement with a solid top line. Nice tail set. She moved well on four legs. **2 Alman's Namlak Geisel:** This bitch had a lovely outline with a nice hard coat. She had good shoulder replacement carried a strong top line. She had four good legs with proper angulation, front and rear causing her to move very well around the ring. **3 Barrow's Kinsridge Pink Diamond**

Limit Bitch (10) 1 Jenkins' Kinsridge Brownie Point: This bitch had a lovely outline, well proportioned a lovely head and expression with proper ears and good width of skull, lovely neck into well-placed shoulders and a strong top line a good tail set and good hindquarters. She had lovely legs and feet. she moved well coming and going and carried herself beautifully going around the ring She would go onto win the reserve CC. **2 Smith's Javidel Handmayds Tale:** Another bitch with a nice outline and good hard coat. She had a good head and expression, nice shoulder replacement, and strong back. She moved out well, but was unfortunate to meet number one today. **3 Gee's Watercroft Crafty Monkey**

Open Bitch (8) 1 Thompson-Morgan's Belleville Hope Star: a beautifully made bitch with all the proper proportions, lovely neck and shoulder, beautiful feminine head and expression. She carried a strong top line, moving or standing. She had a good tail, set and strong, quarters with well let down hocks enough substance, but remaining feminine. She moved well coming and going and carried herself beautifully going around the-ring. She would win the bitch CC. **2 Gee's Watercroft Back In A Jiffy:** nice outline black and tan and beautiful coat lovely type. She had a short back great tail set and strong quarters not quite as good in front as number one but I have to say she must live a bit too close to the kitchen! **3 Thompson-Morgan's Ch Belleville Citation**

Good Citizen Bitch (1) 1 Macartney's Ivrig Dancing In The Sun: This bitch had a nice eye and expression. She had a good hard coat though a bit short, she carried a good top line and went around the ring well.

I must say that I was very pleased with the overall entry and the quality there of most of the dogs were presented in pristine condition there were a few that were a little chunky, but overall everyone was very fit. I must say I was very impressed by the mouths on all of the dogs, I think you have done a much better job of dealing with bites than we have in the states! Thank you again for the beautiful entry

Critique – Norfolk Terrier Club of Great Britain Open Show

Judge: Mrs A Kenney-Marriott

What an honour to judge this special show and my thanks go to the officers, committee and sporting exhibitors who contributed to a wonderful show. It was precluded by celebrations of some fizz and a beautifully decorated cake to eat and enjoy. Thanks also for my stunning paperweight as a memory of this special year for the club. Sincere thanks to my steward Gail Simpson and my assistant steward Andre Hess. I thoroughly enjoyed my day judging some promising and quality exhibits and must congratulate the club on supporting the youngsters into their breed. They are your future for the club and the breed.

Junior Handling 12- 16 years (1) 1 Texas Lee Dunstone: What a super start to proceedings. Smart young 12-year-old. A very competent handler who was sympathetic to her dog. She did all that was asked of me. She was attentive that her dog always gave its best look. I hope she continues in the breed for a long time.

Minor Puppy Dog (2) 1 Jenkins' Kinsridge Sticky Wicket: A well grown puppy of 6 months. Masculine head, well filled under eye. Good forechest. Good spring of rib with super bone and substance for his age. Level topline held on

the move Correctly placed tail. Excellent coat texture. Needs to settle on the move and come together but has time on his side. BPD.

Junior Dog (2) 1 Davis' Watercroft Cosmic Dust: One I have judged before as a puppy and liked a lot. At 15 months, he is improving with age. Super breed type and presents a pleasing outline. Well balanced. Lovely head of correct proportions and strong well filled muzzle. Good neck and shoulders. Ribs well sprung and deep. Moved with drive and showed confidently to win RBD and RBIS. **2 Pullin's Thachill Hardaway Basil:** A challenging 14 month old dog that did not want to cooperate with his owner for either standing or walking! The handler eventually got her dog to walk just enough to see a bit of movement. Underneath all the head hair was a pleasing head and expression, and he was very well muscled on his quarters as were all this exhibitor's dogs which is a credit to her. His movement was loose and erratic, and he was close behind. He has a harsh coat but needed stripping all over. Perhaps one of the more seasoned exhibitors could help her out with her trimming.

Novice Dog (3) 1 Nash's Earthtaw Owain The Celt At Raphiggy JW: Smartly presented 23 month old B/T. Liked him for type and size. Good head with correct bite. Used his ears well. Pleasing angulations. Compact and deep body. Super coat texture. Moved with drive and showed well. **2 Thompson & Pope's Belleville In A Word:** Well-schooled dog of good breed type. Well ribbed and low to ground. In good harsh jacket. Preferred ears of 1 but he gave a good account of himself on the move and with his showmanship. **3 Pullin's Thachill Hardaway Basil.**

Post Graduate Dog (4) 1 Wren's Jaeva Strut Your Stuff: Typy young dog with well-proportioned head and correct expression. Good ear placement. Good ribs, body and rear angulation. Little short of coat at the moment although of hard texture. His movement and showmanship won this class. **2 Ward's Littlemount Celyn Y Mor:** Close up to 1. Well balanced and of good breed type. Another with a pleasing head and expression. Neat well used ears. Ample bone and substance. Maintained a level topline on the move. Steady mover showing drive from behind. **3 Pullin's Thachill Hardaway Basil.**

Limit Dog (3) 1 Harrison's Jaquidon Rich Tea: Truly balanced red male. Typical head and correct bite. Moderate neck Good length to height ration. Tail on top. Deep and well ribbed body. Powerfully made quarters Easy mover. Well handled. **2 Tate's Jaeva Jammie Dodger:** Showy youngster, excels in head and expression. Super coat. Level topline. Good legs. Slightly less mature in body than the winner. Covered the ground with easy strides from well driven quarters. **3 Jones' Jaeva Raising Hell.**

Open Dog (1) 1 Gee's Watercroft Chilli Bean: Another handsome male from this kennel and excellent breed type. Pleasing outline. Masculine head with well-defined stop. Good neck and shoulders. Compact and cobby body. Always moved soundly with style and confidence Alert and attentive which gave him the edge for BD and BIS.

Veteran Dog (2) 1 Nash's Ralph Of House Nash At Raphiggy ShCEx VW: What an evergreen dog this is. B/T now 9 years of age and in remarkable condition. Enters the ring with assured confidence of a dog that knows exactly what is required. Masculine head with strong jaw. Well-developed body. Good angulation front and rear so moves freely. BVIS. **2 McGrath-Cole's Hoathnor Midnight Magic:** Happy 7 year old who enjoyed being with his handler. Very typical. Good bone and substance. Not the coat or movement of 1 but loved his rapport.

Minor Puppy Bitch (2) 1 Jenkins' Kinsridge Florentine: Pretty and promising 6 month old red bitch with all the breed essentials. Lovely correctly balanced head with good expression and neat ears. Short back. Deep body. Well angulated both ends. Super coat texture. Easy mover. Gave a good performance to get BPIS. **2 Gee's Watercroft Calamity Jane:** This 6 month old red baby certainly lives up to her name. She never stopped still for one moment and so movement was difficult to assess. However I loved her attitude. Not quite as well developed as 1 but she looked short and balanced with a feminine head and alert expression. She has time on her side.

Puppy Bitch (2) 1 Phillips' Blakens Candy Bar Girl: Another promising and delightful 10 month old bitch. Well balanced outline. Excels in neck and shoulder placement. Strong topline and well set tail. Moved with style and accuracy. Nicely presented. In the challenge she just faded a bit in the final line up but should have a bright future. **2 Pullin's Thachill Stowaway Amelia:** Very raw 10 month old bitch. Good for type with super coat texture but she was very full in coat. Erratic on the move making it difficult to assess. Happy character.

Junior Bitch (3) 1 Quality B/T 13 month old bitch. Super for type. Beautiful head and expression. Neat well placed ears. Good in front neck and shoulder. Firm topline. Ribs carried well back. Deep body. Presented in lovely condition. Very assured for one so young. Covered the ground well and showed with style giving a confident performance. Must have a bright future. BB. **2 Pullin's Thachill Stowaway Amelia.**

Novice Bitch (2) 1 Mullan's Watercroft Maybellene At Tamodan: Feminine and well-made bitch of lovely type. Beautifully balanced. Attractive and well-proportioned head. Good front and forechest. Short coupled. Good body properties. Harsh coat texture. Easy mover. In the challenge her young handler was aware just to keep her on her toes to maintain a true outline. That just gave her the edge to RBB. **2 Nash's Silverlily Of Housenash At Raphiggy:** Another pleasing example of the breed. B/T Well presented as were all from this owner and are a credit to her. Good

head, neck and shoulders. Super bone. Well ribbed deep body. Level topline. Tail on top. Sound mover. Just slightly longer cast than 1.

Post Graduate Bitch (4) 1 Geary's Watercroft Quick As A Flash To Germanus: Another lovely type of bitch bred by this kennel. Liked her for type and size. Feminine head of correct proportions. Correct bite. Good body and substance. Plenty of coat. Moved well and with drive. **2 Pullin's Thachill Sunaway Rosa:** 7 year old veteran. Again in good hard condition for this kennel. Feminine head. Firm topline Profuse coat but of good texture. Good body properties. Not making the best of herself in the ring. Moving a little close behind.

Open Bitch (1) 1 McCartney's Ivrig Dancing In The Sun: Attentive 6 year old bitch. Up to size. Well balanced. In excellent coat. Typy head. Good spring of rib to deep body. Just carrying a bit of weight that laid heavy on her shoulders. Level topline. Steady mover. Another dog with obvious love for her owner.

Veteran Bitch (1) 1 Pullin's Thachill Sunaway Rosa.

Thank you everyone for bringing your beautiful Norfolks for me to see. I was thrilled to get such a wonderful entry. I would also like to thank my Steward who was on his own and did a sterling job.

Special Beginners Dog (3) **1 Harrison's Jacquidon Rich Tea:** In super coat and presented beautifully. Compact body with good bone. Correct head and well placed ears. Great tail set, and moved soundly both ways. **2 Powell's Watercroft Brown Boots:** Another looking in good coat and trim, great bone, and moving smartly. Short cobby body. Head proportions good.

Minor Puppy Dog (4) **1 Thompson-Morgan's Belleville Hope Alert:** A beautifully put together puppy. Full of himself but still showing me his lovely sound movement with correct tail set. Super topline with good reach of neck and well laid shoulder.

Puppy Dog (2) 1 Smith's Javidel May You Never: Very smart young man in great body condition. Good bone and spring of rib. Correctly proportioned head, lovely dark almond eyes with such a lovely expression. He has a wonderful coat of correct texture and is groomed beautifully moving soundly with plenty of drive. Best Puppy.

Junior Dog (4) 1 Thompson-Morgan's Belleville Infamous Colin: A striking Norfolk who wagged his correctly carried tail the whole time. Great hindquarters that drive him round the ring with style. Well laid shoulders and solid top line. And a masculine expressive head and dark eyes. Harsh coat texture with just the right amount of undercoat. Res CC. **2 Gee's Watercroft Moon Dust:** Black and Tan in great coat, loved his head and expression. Showed and moved well.

Post Graduate Dog (3) 1 Thompson-Morgan's Belleville Wordsmith: In super coat and trim moving soundly with good front and well angulated hind. Expressive head of correct proportions. With neat well placed ears. **2 Wren's Jaeva Strut Your Stuff:** Dark red coat of lovely harsh texture. Loved his head and expression. And he showed himself off well. Preferred movement of 1st. **3 Nash's Earthtaw Owain The Celt at Raphiggy JW.**

Limit Dog (7) 1 Gee's Watercroft Tiger Feet JW: Very impressive, super head, dark eye and well placed ears, lovely bone, moved out well with drive and reach. Cobby body and good spring of rib. Great little show man. **2 Darnell's Jacquidon Hot Off The Press:** Solid little body, short backed and showing like a true little trooper. In lovely coat he has good bone and is sound coming and going. **3 Harrison's Jacquidon Rich Tea.**

Open Dog (4) 1 Thompson-Morgan's Belleville Playmate: Now this is how a Norfolk should move! He is sound as a bell coming and going. Correctly angulated both front and rear. Driving well behind on strong hindquarters. Well placed shoulders and straight front. Great bone, spring of ribs, reach of neck and top line. He was in super coat with the correct texture coat trimmed to his advantage. His head is that of a true terrier, strong and masculine, and of the right proportions. Small well placed ears. He showed himself off really beautifully. And I was delighted to award him the CC. Unfortunately when competing for BOB. He was very unsettled after getting the smell of a bitch in season. So did not give his best performance. **2 Gee's Watercroft Chilli Bean:** Short compact in glorious coat and beautifully groomed. Loved his super head and expression, tail set was spot on. And his shoulder placement neck and top line were great. Lovely spring of rib. Good bone. Showing all the time. Moving out well. **3 Jenkins' Ch Kinsridge Cash Point.**

Veteran Dog (1) 1 Nash's Ralph Of House Nash of Raphiggy ShCEx VW: This little dog is a STAR. 9 years old and looking like a 2 year old. He has a wonderful black and tan coat of super texture. He is in great body condition with good bone and strong little legs that power him round the ring with style. Never stops showing and looking up at his proud owner.

Minor Puppy Bitch (5) 1 Thompson-Morgan's Belleville Full Of Hope: Very forward puppy in lovely coat, loved her perfectly carried tail. Super mouth with correct bite. Moved really steadily with drive and reach. **2 Jenkins' Kinsridge Florentine:** Very pretty head, short and well balanced. Moving soundly, nice reach of neck and good shoulder placement.

Puppy Bitch (4) 1 Phillips' Blakens Candy Bar Girl: Really liked this young bitch. Moving soundly and makes a lovely profile with her perfect tail carriage. Lovely head and small dark eye and neat ears. A very feminine expression but still with enough bone. **2 Gee's Watercroft Sparkles:** These two bitches are very simpler in type. Sparkles also showed beautifully and was in excellent coat and condition. Just preferred movement of 1st.

Junior Bitch (6) This class was a very hard class, so many beautiful bitches any one could have been my winner. **1 Gee's Watercroft Crafty Monkey:** What a solid little girl this is in lovely coat trimmed to her advantage, short cobby body and good bone. Correctly proportioned head, with dark eyes and neat ears. Moved and showed so steadily. **2 Gee's Watercroft Fairy Dust:** A Black and Tan in excellent coat of good harsh texture. Lovely bone and good spring of rib. Good head and well placed ears. Moving out well, showing a good top line. **3 Tate & Dragon's Noragad's Royal Flush with Jaeva.**

Post Graduate Bitch (5) 1 Geary's Watercroft Quick As A Flash to Germanus: Lots to like about this very sweet dark red young bitch. She is in great coat groomed well and moves soundly on strong little legs. Such a pretty head with dark expressive eyes and she is balance though out with good bone, nice spring of rib. Excellent top line when on the move. **2 Nash's Silverlily Of Housenash at Raphiggy:** Smart Black and Tan in wonderful coat of correct texture. Moving soundly coming and going with plenty of drive behind. Good bone and showed herself to advantage. **3 Cooper's Settrenda Saucy style.**

Limit Bitch (6) 1 Jenkins' Brownie Point: Very smart red. In a wonderful tight coat of correct texture. She has a beautiful head with a lovely expression. Great bone. Nicely placed ears and dark eye. And a pleasing profile. **2 Smith's Javidel Handmayds Tale:** Cobby body with great spring of rib and super bone. Moving well and soundly. Good angulation. And pretty head and expression. **3 Stevenson's Brickin Country Charm**

Open Bitch (5) 1 Gee's Ch Watercroft Back In A Jiffy: In my notes I just said 'Gorgeous', a spectacular black and Tan. Super coat in beautiful trim. She is short and compacted with great bone and substance. Excellent tail set and a gorgeous head with dark expressive eyes and well placed ears. She is well balanced throughout and makes a very balance picture on the move. CC & Best of Breed. **2 Thomson-Morgan's Ch Belleville Citation:** Very smart, in great coat and trim. Short backed and well balanced on the move. She has a correctly proportioned head. Neat ears. Nice spring of rib and well laid shoulder placement. RCC. **3 Smith's Javidel May I Present.**

Veteran Bitch (1) 1 Lloyd's Orison Thundercloud: Looking well for her 12 years. Her Black and Tan coat was of good texture and she was in good body condition. Moving out really well. Showed us she can still do her owner proud.

Veteran Dog (1) 1 Nash's Ralph of House Nash at Raphiggy ShCEX VW: 9 yo showing his socks off. Lovely masculine head, great expression, shown in great coat & condition.

Puppy Dog (1) 1 Smith's Javidel May You Never: Free & easy moving pup, loved his head, dark eye & black button nose. Super front, level topline, good spring of rib, lovely rear which shows in his driving action. BP.

Junior Dog Entries (3) 1 Gee's Watercroft Moon Dust JW: Stunning B&T. Just the size & shape I hope to find. Very good head, super forequarters, good in hindquarters, moved soundly & with purpose. Very promising & beautifully presented. RCC. **2 Davis' Watercroft Cosmic Dust:** When I was taking notes for this critique this dog stood naturally and looked at what was going on around him, he looked a picture! Good head, short back but his length from sternum to buttocks presented the perfect outline. Moved soundly & well handled. **3 Haydon's Earhtaw Patrick**

Post Graduate Dog (4) 1 Wren's Jaeva Strut Your Stuff: Very well-presented smart red, I liked him for his head properties, strong muzzle & dark eye, free moving, easy class winner. Up to size, not so positive in rear movement as some in the challenge. **2 Nash's Earhtaw Owain The Celt at Raphiggy JW:** B&T. Good head but being picky muzzle could have more length for better balance. Level topline held while moving, well balanced body, needs more animation on the move. **3 Clarke's Watercroft Pickled Pudding**

Limit Dog (2) 1 Gee's Watercroft Tiger Feet JW: Cracking dog. First you notice his masculine head, dark eyes & well-set ears, soft characterful expression. Arched neck leading to clean well-set shoulders, good front, short back, strong & compact body good rear, good tail well set. True driving movement, showing pads as he went. CC & BOB His 3rd I believe congratulations. **2 Haydon's Earhtaw Lincoln:** Good head on an arched neck, good front & level topline, presents a good shape, needs to strengthen in rear quarters.

Special Beginners Dog/Bitch (1) 1 Clarke's Watercroft Pickled Pudding: Good for size, balanced head, good length to neck, clean shoulder, needs to strengthen in rear. Coat coming on well, just needs time.

Minor Puppy Bitch (1) 1 Phillips' Jaeva Ring Tone: Love her for size. Great front, level topline, good rear, very pretty head, well balanced. Very sassy pup moving well.

Puppy Bitch (2) 1 Gee's Watercroft Sparkles: I enjoyed sorting these two out. She tried her best to throw the class but on the final run up she got her act together & showed me how she can move when she wants to! I would love to own either of these girls, both very promising. **2 Smith's Javidel May To December:** Not quite so forward in her development as 1, but she has it all, so with patience she will bloom, I am sure. A little apprehensive on the table but came to life on the grass.

Junior Bitch (4) 1 Gee's Watercroft Crafty Monkey: Another promising B from this kennel, good head, with lovely expression, strong muzzle, well set ears, well balanced, deep chest with good spring of rib, proudly moving with long strides around the ring. **2 Tate & Dragon's Noragad's Royal Flush with Jaeva:** A smart B&T she looked a picture, lovely head dark eye, arched neck, well laid-back shoulders, short back, coat texture good & so well presented. Just untidy movement today.

Post Graduate Bitch (4) 1 Geary's Watercroft Quick As A Flash to Germanus: Preferred her overall shape. Good head, level topline good forequarters, nice ribbing, good in rear, low in hocks moved well. **2 Barrow's Kinsridge Pink Diamond:** Good head, strong muzzle, kind dark eye, short back, deep chest & good for size, settled to move well. **3 Jones' Jaeva Runner Duck**

Limit Bitch (3) 1 Smith's Javidel Handmayds Tale: An honest feminine headed B with dark eye, I like her body shape, short back, good spring of rib, level topline, standing she presents the perfect picture. Lovely coat, with her correct proportions she moved well & stepped up in the challenge to win RCC. **2 Stephenson's Brickin Country Charm:** A quality B moving soundly, super head, lovely expression. Good front & rear quarters just a little longer cast than 1. **3 Lloyd's Orison Nogin The Nod**

Open Bitch (2) 1 Gee's Ch Watercroft Back In A Jiffy: Beautiful B&T Head & expression spot on, loved everything about her. Size, shape, topline, tail-set, lovely front, very good rear, moved so well & not a hair out of place. CC.

Many thanks to Leila and her committee for inviting me to give CCs in this breed for the first time. I was delighted with the quantity and quality of the exhibits. Also, I was pleased some of my top winners were shortlisted/placed in the Terrier groups. The showground was superb, it was a very well-organized show and I had excellent stewards.

Minor Puppy Dog (3) 1 Thompson-Morgan's Tinkave In The Groove with Belleville NAF: A very promising 6-month-old dog puppy, full of character and fun. Very good head. Broad skull, well-set ears and well-defined stop. Super set of large teeth. Body well-constructed with fore chest developing well and nice turn of stifle. **2 Daws & Toms' Jaeva Party Boy:** Similar age, but a completely different style. He did not have such a defined stop, giving the impression of a longer muzzle. Appeared longer on leg and longer in body. Very good mouth. Correct coat coming nicely.

Puppy Dog (2) 1 Thompson-Morgan's Belleville Hope Alert: A super mature young puppy dog, full of potential. A lively youngster with an excellent temperament, full of fun and mischief, showing himself off to advantage. Giving the correct balanced outline, well-proportioned head, dark eyes and correct bite. Ears well set, medium length neck, well laid shoulders, good forechest, nice spring of ribs, carried well back. Level topline, short back, well set tail on angulated hindquarters. Moved well when settled. A harsh jacket finished the picture. Will watch with interest. Best Puppy. **2 Jenkins' Kinsridge Sticky Wicket:** Not so mature as above and coat not so well grown. But a nice type to be expected from this kennel. Pleasing head and expression, good ears, correct bite. His back appeared a little longer. Movement was OK.

Junior Dog (1) 1 Davis' Watercroft Cosmic Dust: A balanced and well-proportioned head, with broad skull, well set ears and correct length of muzzle. Dark oval eyes gave a kind but keen expression. Compact and cobby body, standing on well boned limbs. Good hindquarters and short hocks. Coat of excellent harsh texture.

Yearling Dog (2) Both dogs were lovely in every way, as expected from these kennels. **1 Thompson-Morgan's Belleville Infamous Colin:** I felt on the day this dog just had that extra presence, but both very nice. He was such 'an eye catcher' and such a showman, displaying himself so well. He is full of type, masculine throughout and never stopped showing. Super, correctly proportioned head with slightly rounded, broad skull, well placed ears and endearing expression. Correct length of brisket and ribs well sprung, with a firm level topline. Strong rear, showing a good bend of stifle and low set hocks. Super tail set, enhancing his topline. Moved out cleanly, showing great power of propulsion. Good harsh jacket Reserve Dog CC. **2 Gee's Watercroft Tiger Feet:** Similar comments apply to this very nice dog, who is masculine and balanced. He had a good head, correct width of skull, well placed ears, dark oval eyes, with a kind but keen expression. Medium length strong neck, well laid shoulders, cobby body, deep brisket, well sprung ribcage, correct length of rib and strong loin, level topline. Standing on well boned limbs and rounded feet. He moved well. Coat in good condition and of the correct texture.

Post Graduate Dog (3) 1 Smith's Javidel May You Never: A very attractive, richly coloured red dog of good type and substance. Beautifully constructed, well balanced, showing off a super outline. Lovely well-proportioned head, with good ear carriage, well defined stop and dark kind eyes. Large, strong teeth. Good length of neck, well developed fore chest, depth of brisket and level firm topline. Stifles well bent and good width of thighs. This aided animated movement with good propulsion. **2 Wren's Jaeva Strut Your Stuff:** Well-presented dog with a pleasing cobby outline. Super balanced head. Broad skull, slightly rounded, lovely well-set ears and oval dark eyes, giving an endearing expression. Good body and bone. Holds a firm level topline ending in a well set on tail. Strong hindquarters, providing good movement. **3 Jones' Jaeva Raising Hell.**

Limit Dog (1) 1 Gee's Watercroft Moon Dust JW: A very smart blue and tan dog, compact and short backed, balanced and in proportion, with good bone. Super head with broad skull, correct length of muzzle and good bite. Lovely strong neck, well laid shoulders, deep chest and good forechest. Ribs carried well back and level topline. Hindquarters well-muscled with a good turn of stifle. Aiding him to drive around the ring with purpose. Good tail set. Excellent hard, wiry coat.

Open Dog (1) 1 Thompson-Morgan's Belleville Playmate: Absolutely lovely, explains him well. Eye catching and quality. Very smart and full of character. He is a compact, sturdy dog with good bone and substance, presenting a lovely outline. Super masculine head of correct proportions. Broad, slightly rounded skull and strong muzzle. Neat well-placed ears and dark expressive eyes. Correct length of neck flowing into well placed shoulders. Firm, level topline. Lovely spring of ribs, short loin, and strong hindquarters. Moved very well with drive from the rear. Put down in super condition with a good hard, wiry coat. Dog CC.

Special Beginners Dog (1) 1 Wren's Jaeva Strut Your Stuff: As above. So pleased to watch him go Group 2 in the Special Beginners Terrier Group. Best Special Beginner.

Puppy Bitch (3) 1 Thompson-Morgan's Belleville Full Of Hope: I considered this bitch puppy to be the best out of the three presented. I felt she had the best head, with a broad skull and good ear placement. She was compact with a short back, good substance and bone. She was well muscled, had the correct hard, wiry coat coming and moved very well. **2 Gee's Watercroft Calamity Jane:** Initially, I thought this one was going to be my winner. But, after closer examination, I preferred the head of the above and I felt she was not so well muscled. She moved extremely well. Otherwise very nice. **3 Tate's Jaeva Ring Tone TAF:** I hope this one will grow on, but so immature at present. She was nice and such a 'sweetie.'

Junior Bitch (2) 1 Dragon & Tate's Noragad's Royal Flush with Jaeva: Very smart 16-month-old blue and tan bitch, with lovely personality and super outline. Meeting the standard well. She has a very nice feminine head, of correct shape and proportions. Well set ears and expressive eyes. Good length of neck and nice development of fore chest. Clean and straight front onto tight feet. Compact body, with short, level, strong back, giving a super topline. Strong, well-muscled hindquarters, which she used to give very good movement. Presented well. **2 Jenkins' Krisma Sunbeam for Kinsridge:** A different type. The standard states compact and short backed, but I thought this bitch was a bit too 'stuffy' for me, which was a shame. She did not show herself off so well, with the personality and style of the bitch above. Nothing wrong with her, just not a true showgirl.

Yearling Bitch (2) 1 Gee's Watercroft Crafty Monkey: Aptly named, 19-month-old red bitch, who was absolutely gorgeous. Showing herself off, which makes such a difference to the outline. Truly a small, low, keen dog, compact and strong, short backed, good substance and bone, with a lovable disposition. She presented a super balanced outline. Lovely head, with slightly rounded broad skull, well placed ears, distinct stop, strong muzzle, dark eyes and the correct bite. Good neck, straight front legs, well laid shoulders, deep brisket, well sprung ribcage, ribs carried well back and short loins. Level topline, well-muscled hindquarters with good turn of stifle, hocks well let down. Wonderful smooth, free-moving, effortless movement. Good reach and drive from the front and propulsion from the rear. Beautifully presented with hard, wiry coat of good condition. Bitch CC & Best of Breed. **2 Jenkins' Kinsridge Pocket Money:** A very nice

pretty example of a Norfolk, as expected from this kennel. Just over 18 months old and not so mature, compared with the bitch above. Not so much style and muscle development. But a good type.

Post Graduate Bitch (1) 1 Jones' Jaeva Runner Duck: Another bitch of good type. Attractive head with broad skull, well set ears, distinct stop, expressive eyes and correct dentition. Well-muscled hindquarters, resulting in good movement. Lovely deep red coat with good texture.

Limit Bitch (2) 1 Smith's Javidel Handmayds Tale: A good bitch, nothing flashy, but everything OK. Showing true Norfolk attributes, of small, low dog, compact, short backed, with good substance and bone. Well-proportioned head, distinct stop, broad skull and strong muzzle. Good ear placement and oval, dark eyes. Good, well-balanced body and well-set tail. Moved OK. Super rich red coloured coat of correct hard, wiry condition. **2 Cooper's Settrenda Saucy Style:** I liked her size and femininity. Pleasing head, being nicely balanced and proportionated, with good width to the skull, distinct stop and dark oval eyes. She is keen and alert in her demeanour. Moving a little close behind on the day. Presented with good coat texture.

Open Bitch (4) 1 Gee's Ch Watercroft Back In A Jiffy: A super blue and tan bitch of nearly 2 years old. Very nice in every way and fits the breed standard very well. Compact and strong, short backed, with good substance and bone, producing a lovely balanced outline. Excellent head of correct proportions. Slightly rounded broad skull, distinct stop and strong muzzle. Well placed ears, dark eyes and correct bite. Super straight, strong forelegs. Good length of neck, flowing into well laid shoulders, deep chest, well sprung ribcage and strong loin. Level topline. Well-muscled hindquarters, good turn of stifle and well let down hocks. Moved with excellent reach and drive. Well set tail. Coat in good condition of hard, wiry texture. Showing herself off as a very attractive and well put together bitch. Reserve Bitch CC. **2 Macartney's Ivrig Dancing in The Sun:** Heading towards 7 years old. A very good all-round Norfolk Terrier bitch of reasonable quality. Correct head. Moved quite well and had an excellent hard, wiry textured coat.

I would like to thank the officers and committee for their kind invitation to judge the Norfolk Terriers with CCs for the first time. It was a true honour and privilege. I was delighted with the quality of the exhibits, they are a real credit to you. Thank you all for your entries, making it tough competition and it is lovely to see so many Black & Tans.

Puppy Dog (2) 1 Thompson-Morgan, Belleville Hope Alert: Very smart 10 month old red dog, full of fun and mischief, showing himself off to advantage. Lovely outline when stood, he is of the right size, has the desired substance and is all male. Nicely balanced head, with good width, neat ears, dark expressive eyes. Good length of neck, cleanly flowing into a short firm back. Well developed body, with a straight front onto tight feet. Nicely angulated fore and aft. Moved with enthusiasm and drive. Shown with a harsh jacket and beautifully presented. – BPD. **2 McKevitt's Watercroft Corners Up At Tyketarn:** Promising red youngster, just 7 months old. Much to like about him, today not as forward as winner. He is of a pleasing size and type. Lovely head, very balanced, with a dark eye and keen but kind expression. Good length of neck, good depth for his age and nicely sprung ribcage. Held a firm topline stood and on the move. Not quite as together as winner on the move today, but time will be his friend

Junior Dog (2) 1 Thompson-Morgan, Belleville Infamous Colin Shapely and full of type, this 15 month old red dog caught my eye for his clean outline. Masculine all through, and never stopped showing. Liked his head, good width and well placed ears, strength to the foreface, and endearing expression. Strong clean neck, deep in brisket and rib well sprung with a firm level topline. Strong rear, showing a good bend of stifle and low set hocks. Moved out cleanly, but in the final challenge not quite the reach in front of winners. Good harsh jacket. **2 Smith's Javidel May You Never:** So much to like on this 14 month old red dog, loved his size, shape and substance, but he did not want to show himself. When stood he shows to have a compact outline with good proportions. He has a lovely balanced and proportionate head, with a good ear carriage, well defined stop and dark kind eyes. Good length of neck, well developed forechest and depth to the brisket. He holds a firm and level topline, with well sprung ribcage and short loin. Stifles are well bent and with a good width of thigh. Just let himself down on the move today

Post Graduate Dog (2) 1 Davis' Watercroft Cosmic Dust: Compact and cobby 18 month old red dog, with lots to like, litter brother to winner of LD. He has lovely body lines with an impressive outline. Masculine head, with a broad skull giving good width between the ears, and showing strength to the muzzle, his dark oval eye have a kind but keen expression. Well bodied and standing on well boned limbs. Holding a firm topline, with a short loin and ribs carried well back. Strong hindquarters and short hocks. Strode out nicely on the move. Shown in a coat with a harsh texture. **2 Wren's Jaeva Strut Your Stuff** Beautifully presented and attentive to his handler, much to commend this red dog who is coming up 2 years of age. When stood he presents a pleasing outline, compact and strong. Pleasing head, nicely balanced and all in proportion. Skull slightly rounded, good placement of the ear and he has an endearing expression. Well developed through the body, with depth and spring to the ribcage. Holding a firm and level topline to a well set on tail. Strong hindquarters, showed good drive, today not as clean in his front action as winner

Limit Dog (3) 1 Gee's Watercroft Moon Dust: Very smart 18 month old B&T dog, and fits the description of 'small, low and compact' He presents a lovely balanced outline and full of quality. He has a pleasing head, with the correct ratios, good ear set and dark oval eyes with a keen expression. Strong neck flowing into a firm short and level topline. Compact deep body, with a well sprung ribcage and short loin. Hindquarters show a good bend of stifle, which he used to good effect to drive around the ring. His movement was true fore and aft, and he carries himself with an air of confidence to gain him the RDCC. **2 Harrison's Jacquidon Rich Tea** Outgoing and confident 3 year old red dog, who responds well to his handler. He presents a compact outline when stood, with a nice flow to his topline. Nicely balanced head, with strength to the foreface, his eyes are dark but a fraction rounder, still has a delightful expression. Good length of neck, firm strong and level topline. A little wider in front, body has lovely depth and spring to the ribcage with a short and firm loin. A happy mover, a real showman, showing drive from the rear. – Best special beginner. **3 Ward's Littlemount Celyn Y Mor**

Open Dog (3) 1 Thompson-Morgan's Belleville Playmate: Eye catching and quality, 2 year old red dog, very smart and full of character. When stood he presents a very pleasing and balanced silhouette. He is a compact and sturdy dog with a lovely flow to his outline. Masculine head, pleasing proportions showing strength to the muzzle, with good width to the backskull, neat well placed ears, and dark expressive eyes. He has a good length of neck which seamlessly flows into a short firm topline. Body is well developed, chest is well let down with a lovely spring to the ribcage, short loin, and strong hindquarters. Showing himself off with style and confidence. Moving out with lovely drive and retaining his outline. Put down in super condition with a good harsh well presented jacket – Pleased to award him the DCC & BOB, this 3rd CC I understand, many congratulations on your new champion. **2 Gee's Ch Watercroft Tiger Feet JW:** Another super 2 year old red dog, who I liked very much, but he decided today he was going to be a 'muppet'! Not performing as I know he can and paid the price. Super outline when stood, displaying the desired strong and compact body. Liked his head, good width between the ears, which are well placed, dark oval eye, with a kind but keen expression. Good length of neck, strong short back. Deep in brisket with a lovely spring of rib, and short firm loin. Standing on well boned limbs and rounded feet. Not showing himself off on the move but his action is true. Put down in super coat and condition. **3 Jenkins' Ch Kinsridge Cash Point**

Special Beginners Dog/Bitch (2) 1 Harrison's Jacquidon Rich Tea. 2 Ward's Littlemount Celyn Y Mor: 2 year old red dog, previously 3rd in the limit dog class. Build on slightly larger frame than winner, but still presents a balanced and pleasing outline when stood. He is compact and sturdy. Liked his head, shows a good width to the skull and well defined stop, along with his dark oval eyes giving the alert yet gentle expression. Would like a little more length to the neck, super depth and spring to the ribcage, the ribs are carried well back, just a fraction longer in loin than winner. Pleasing hindquarters, with a good bend of stifle and width of thigh. Good harsh jacket and well presented

Puppy Bitch (4) 1 Gee's Watercroft Toffee Nosed: Oh my, fell for this delightful 9 month old B&T bitch. She is so full of character and has a zest for life, nothing fazed her, so she showed her socks off. Pleasing feminine head, which is well proportioned, dark oval eyes giving a cheeky expression. Well developed through the body with a good spring of rib, and forechest. Standing on well boned limbs and tight feet. Compact and short backed, with a well set on tail which is straight and jauntily carried. Moving out purposefully. Presented in a good jacket – BPB & BPIB. **2 Tate's Jaeva Ring Tone TAF:** Another with so much to like on this 10 month old red bitch. Liked her overall shape and size, small and compact. Balanced head, very feminine, with good width between the ears, which are neat well set, dark oval eyes, and a gentle expression. Liked her length of neck, which flows into a firm short back. Well bodied for her age, with strong hindquarters. Showed a good side gait, just needing to tighten in her front action. Good harsh jacket. **3 Jenkins's Kinsridge Takes The Biscuit**

Junior Bitch (4) 1 Tate & Dragon's Noragad's Royal Flush With Jaeva: Very smart 17 month old B&T bitch, loved her fun and outgoing personality. When stood she presents a lovely outline, small and compact. Most feminine of heads, with a melting expression with a hint of naughtiness. Good length of neck, and she has a chest that is well let down with a nice development of forechest. Clean and straight front onto tight feet. Her topline is firm and level with a short loin. Strong hindquarters, which she put to good use to drive around the ring. Well-handled and presented. **2 Smith's Javidel May To December:** Very much liked the overall stamp of this 14 month old red bitch, but something had spooked her and a couple of the others (maybe the very loud tannoy right next to the ring) unfortunately so not showing herself as well as she could have. Well balanced head, with a good width between the ears, correct ear placement, dark oval eyes, and she has such a sweet expression. She is well bodied with super depth and spring to the ribs, a fraction longer than

winner in loin. Holding a firm topline and well bent stifles. Moved out true once relaxed. **3 Phillips' Blakens Candy Bar Girl**

Post Graduate Bitch (1) 1 McDermott's Macdiarmada Alderfen: Red bitch coming up 3 years of age. Liked her happy demeanour. She is of a nice overall size and feminine all through. A little more refined in body and bone. Pretty head with a lovely dark oval eye and kind adoring expression. Good width to the backskull which showed the slight rounding, well defined stop. She has adequate depth and ribbing, tending to fall away a little at the croup, with a short loin. Strong hindquarters, which she put to effective use to drive around the ring

Limit Bitch (4) 1 Gee's Watercroft Crafty Monkey: Confident and showy 20 month old red bitch. Showing herself off with style. She is cobby and sturdy with a lovely flow to her topline when stood. Strength to the backskull with a slight rounding, well placed ears, and dark mischievous oval eyes, well defined stop and strength to the muzzle. Neck of good length, well developed forechest, and deep in the brisket. Lovely spring to the ribcage with a short loin. Good width to the hindquarters and short hock to heel. Moved with enthusiasm and drive. Beautifully presented with a harsh jacket - RBCC

Open Bitch (2) 1 Gee's Ch Watercroft Back In A Jiffy: Quality in abundance on this B&T coming up 2 years of age. So very feminine and typey, showing herself off and letting her presence be known. She has the desired outline when stood. Delightful head, with good width to the slightly rounded backskull, well defined stop, strength to the foreface and expressive dark oval eyes. Good length of neck, cleanly flowing into her firm topline. Well developed through the body, with a good ribcage showing depth to the brisket, and fill in of forechest. Her loin is short and strong leading to a well set on and carried tail. Well angulated hindquarters and low set hocks. Moved with a lovely parallel rear action and drive – Delighted to award her the BCC. **2 Smith's Javidel Handmayds Tale:** Liked this 2 year old red bitch, nothing flashy but everything in the right place. She is small, compact and full of breed type. Very pleasing head, with good ratios of backskull to foreface, with a well-defined stop, strength to the muzzle and those dark oval eyes, giving a lovely expression. She is well bodied, with depth to the brisket and good forechest, standing she held a firm topline, with a short back, good width the rear and low set hocks. She was true in her action on the move, just lost her topline a fraction, not the drive of winner today. First class coat and condition

Thanks must go to the Paignton Committee for the invitation to award my first set of CCs to Norfolk's and my two stewards who kept the ring moving well. Huge thanks to all the exhibitors for a lovely entry.

Enough neck, well laid shoulder and ok in upper arm. Ribs well sprung, short back and good depth. Well-turned stifle. Good bone. Moved and showed well with good coat texture. Best Special Beginner. **2 Clarke's Watercroft Pickled Pudding:** Smaller dog but all in proportion. Correct muzzle and good stop, dark oval eye and neat ears. Balanced in angles. Medium length of neck and well sprung ribs. Short back, well set tail. Good bone and feet. Moved soundly.

Good length of neck, well laid shoulder and just enough upper arm. Good bone and round feet. Good ribbing, short back and well-set tail which he carried well. Well angulated quarters. Moved with drive and good reach in profile holding his topline and a lovely outline. Just needs to settle in front. In great coat and condition. Pleased to award him BP. **2 Owens' Brickin A Wish Away.** Not as mature a 1 and just needs time to fill out. Lovely head with good proportions, dark oval eye and neat ears. Ok neck and front, well-turned stifle held together with good ribbing and short back. Good bone and neat round feet. Moved well with drive holding his topline.

Junior Dog (1) 1 Smith's Javidel May You Never: Smart dog with lots to like. Lovely head of good proportions, broad skull, wedge shaped muzzle and good stop. Just enough neck, ok in shoulder and upper arm. Good solid bone and tight well-padded feet. Good ribbing, depth and short back. Well-turned stifle with hocks well let down. Good substance all through. Sound on the move, looked really well in profile holding a nice outline. Well presented coat of good texture.

Well sprung ribs, short and compact. Well set tail of good shape. Good bone and neat feet. Moved true holding a good outline. Well-presented coat. **2 Clarke's Watercroft Pickled Pudding.**

Limit Dog (1) 1 Ward's Littlemount Celyn Y Mor.

Open Dog (2) 1 Gee's Ch Watercroft Tiger Feet JW: A mature, honest, well-made dog with quality. Typical in head with good proportions, broad skull, dark oval eye and neat ears which were well carried. Length of neck without being too much, well laid shoulder and good length upper arm. Solid bone and neat round feet. Big ribs with short back, full of substance. Well-turned stifle. Moved with reach and drive holding his outline. In great coat and condition. DCC. **2 Thompson-Morgan's Belleville Playmate:** Another quality dog who lost out by a whisker on maturity and one being more settled on the move today. Typical head, with very good proportions, loved his dark eye for shape and expression. Good length of neck, well laid shoulder and return of upper arm. Very good ribbing, short back and well set and carried tail. Straight forelegs right down to neat feet. Correct angulation behind. Moved with verve holding a nice outline with good drive and reach in front in profile. In great coat and well-muscled. RDCC.

Puppy Bitch (3) 1 Tate's Jaeva Ring Tone TAF: Smart puppy and full of attitude. Good head, broad skull and just enough muzzle. Neat ears, well carried with dark, oval eyes. Correct neck, well laid shoulder, good upper arm. Ribs well sprung with short back and tail well set. Good behind. Correct bone and feet. Moved soundly holding a nice outline and very good topline. Well-presented coat. BPB. **2 Thompson-Morgan Belleville Full Of Hope:** Well-proportioned head, just needs to fill out a bit which will come with time. Good neck and well made both in front and behind, totally balanced with good ribbing, short back and well set and carried tail. Good bone and feet, coat coming through nicely. Moved ok but not as together as one at the moment. **3 Gee's Watercroft Cornetto.**

Junior Bitch (2) 1 Tate & Dragon's Noragad's Royal Flush with Jaeva: Compact bitch with lots to like. Broad skull, strong muzzle. Dark eye and neat ears. Correct length of neck, well laid shoulder, ribs well sprung with short back and substance. Enough angulation behind. Good bone and compact feet. Used herself well on the move holding a nice outline. In good coat. **2 Smith's Javidel May To December:** Lovely head, well-proportioned with dark eye and keen expression. Would prefer a little more neck, ok in front with good topline, well sprung ribs and well-turned stifle. Good bone and neat feet. Moved soundly. Well presented coat. Dropped her tail a little but handler did her best and got her showing as best she could.

Yearling Bitch (2) 1 Gee's Watercroft Crafty Monkey: Really like this bitch who had everything in the right place. Lovely head with very good proportions, broad skull, good stop and dark oval eye giving a typical expression. Correct length of neck, straight forelegs with good bone and tight feet. Well sprung ribs, short back, well angulated behind. True on the move with reach and drive holding her topline. In very good coat and condition. RCC. **2 Mullan's Watercroft Maybellene:** Typical in head, good proportions and strong muzzle. Dark expressive eye and neat ears. Correct neck, ok in shoulder, could have a bit more upper arm. Well ribbed, short back with good turn of quarters. Good bone and compact feet. Sound and showy on the move holding her topline.

Post Graduate Bitch (1) 1 Thompson-Morgan's Belleville Hold The Line: Only a baby and coped very well with very loud applause from another ring when the focus was all on her being the only one in the class. Lovely head, dark eye. Good neck, well made in front and behind with total balance. Good bone and neat feet. Big ribs, deep chest and short back. Good tail, well carried. Moved true with a great attitude, just needs time to mature. Well presented.

Limit Bitch (1) 1 Lloyd's Orison Nosing The Nod: Well proportioned head, dark eye. Neat ears. Ok neck, good topline, could have been a bit shorter in back. Well sprung ribs. Good bone and neat feet. Moved true. Not in the best of coats today.

Open Bitch (3) 1 Gee's Ch Watercroft Back In A Jiffy: As soon as I saw her, I hoped she would be as good as she looked and I wasn't disappointed. For me she is an ideal size, full of substance, so well made and totally balanced. Very typical in head with good proportions, good stop, broad skull and strong muzzle. Ideal neck, well sprung ribs, short back, very good tail which was well carried. On the move so was sound, had reach and drive holding her topline. In excellent coat and condition. She had that something extra about her which took my eye. Very pleased to award her CC and BOB. **2 Geary's Watercroft Quick As A Flash to Germanus:** Nice size, another who was well made and compact with everything in the right place. Head of good proportions, good stop, dark eye and neat ears. Good neck, well ribbed and short back. Very good tail. Moved soundly and showed well, in good coat. **3 Smith's Javidel Handmayds Tale.**

Post Graduate Dog (4) 1 Wren's Jaeva Strut Your Stuff: Two very different dogs challenged here with this 2 yr old red coming out on top. Balanced in outline and carrying good bone. Moderate length of neck, nice level topline, pleasing rib which extends well back, short loin and tail set on well. Masculine head with slightly rounded skull of good breadth, correct ears, tad more length to muzzle than preferred, scissor bite. Scored here on the go around. Good texture to jacket. **2 Clarke's Watercroft Pickled Pudding:** 2 yr old red out of a smaller mould. Neck of sufficient length, firm level topline, short back and tail set on well. Nicely proportioned head, eye a little prominent, ears of correct size and set and good dentition. Moving well enough on the go around and when going away. Jacket of good texture.

Limit Dog (2) 1 Gee's Watercroft Moon Dust: 19 mth old black/tan who very much appealed. I thought him so good for type and he presented a super compact outline with neck of moderate length, firm level topline, correct ribbing, short in the couplings and tail set on high. Quality head with the best of expressions; good skull to muzzle proportions, dark oval-shaped eyes, correct ears and scissor bite. Good angles front and rear, standing straight in front on good feet and certainly didn't let himself when gaitting, using himself at all times and totally unfazed by the extreme heat on the day. Hard, wiry jacket of excellent presentation. CC & BOB. **2 Haydon's Earhtaw Lincoln:** This 5 yr old red has plenty to like, pleasing for type and outline and shown in super coat and condition. Moderate length of neck, level topline, well sprung ribs, muscular loin and tail set on high. Well proportioned head with pleasing expression; oval-shaped eyes of good colour, ears good for size and set and correct dentition. On the move, he goes well on the go around and when coming towards but could be firmer behind. Well handled.

Open Dog (3) 1 Gee's Ch Watercroft Tiger Feet JW: Red approaching 2 yrs. This boy pleased for type, carries lovely bone and was good to go over. Strong neck of moderate neck, level topline, nice spring of rib, firm loin and tail set on well. Balanced headpiece with good breadth to skull, dark expressive eyes placed well apart, ears good for size and set and scissor bite. Good angles front and rear, elbows close to the body and stands nice and straight in front. Moving freely all through with particularly good rear action. Quality jacket and presentation. Just flagging a tad in the heat. RCC.

Special Beginners Dog/Bitch (1) 1 Clarke's Watercroft Pickled Pudding: Best Special Beginners.

Puppy Bitch (3) 1 Tate's Jaeva Ring Tone TAF: Two promising pup challenged here although quite different to each other. My winner was this 11 mth old red. She appealed for type and presented a good outline with neck of correct length to balance, firm topline, good length to ribcage, nice short loin and tail set on high. Feminine headpiece with slightly rounded skull, good eye and ear and scissor bite. She goes well on the go around but just needs to firm a tad in front. Good quality jacket. Best Puppy. **2 Gee's Watercroft Toffee Nosed:** 9 mth old black/tan carrying good bone. Neck of sufficient length, short level back, pleasing rib development for age, lovely short loin and tail set on high. Balanced head with super expression; dark oval-shaped eyes, ears correct for size and set and scissor bite. Pleasing angulation both front and rear and she stands well naturally. Gaiting true on the down and back but not quite profile action of 1.

Junior Bitch (2) 1 Tate & Dragon's Noragad's Royal Flush with Jaeva: Quality 17 mth old black/tan who was good to go over. Carrying good bone and well balanced with moderate length of neck, short back with firm topline, well sprung ribs and tail set on high and of good carriage. Correctly proportioned head with feminine expression; oval-shaped eyes of good colour, ears of good size and set and scissor bite. Well laid shoulders, straight forelegs and firm, muscular hindquarters. When gaiting, she really moves out and uses herself as she goes. Hard, wiry jacket. RCC. **2 Mullan's Watercroft Maybellene:** 16 mth old red with lots to like. She carries good bone and I thought her a good type. Neck of correct length to provide balance, short back with firm topline, pleasing rib, muscular loin and tail set on well. Feminine head of good proportions, dark expressive eyes and scissor bite. Moving well on the go around and when going away but somewhat wider when coming towards. Good quality jacket. Well handled.

Limit Bitch (1) 1 Gee's Watercroft Crafty Monkey: Quality 20 mth old red who was so good hands on. Carrying good bone and substance and presenting a compact outline with moderate length of neck, level topline, well sprung ribs, short in the couplings and tail set on high. Slightly rounded skull of good breadth, defined stop, dark oval-shaped eyes, correct ears for size and set and good dentition. Pleasing angulation front and rear and stands well naturally. Moves freely all through and uses herself as she goes.

Open Bitch (2) 1 Gee's Ch Watercroft Back In A Jiffy: Black/tan just coming up to 2 yrs. Quality girl of excellent type. Compact outline with correct length of neck to balance, short back with firm topline, excellent ribbing, nice short loin and tail set on well. Super head and expression; good skull to muzzle proportions, lovely dark eye, defined stop and scissor bite. Shoulders well laid and stands on good feet and firm, well-muscled hindquarters with well let down hocks. When gaiting she goes so well when viewed in profile and true behind. Wiry jacket and first class presentation. CC.

Once again, this was an impressive entry, the breed is doing very well and must be among the strongest terrier breeds at this time.

Minor Puppy Dog (3) 1 Tinkave In The Groove With Belleville: Eight months old dog, well balanced. Excellent skull, ears and eyes. Could do with some more strength of muzzle. Excellent nape of neck. Excellent topline and tailset. Compact, deep and capacious body. Excellent coat. A very good mover from all angles. **2 Brickin A Wish Away:** Seven months old male, mature for his age. Lower on legs. Excellent head and expression. Neck could be longer. Compact body. Excellent topline, well set tail. Balanced angulation. Deep and capacious body. Excellent coat. Not as accurate in his movement as the winner. **3 Jaeva Party Boy**

Puppy Dog (1) 1 Belleville Hope Alert: A beautiful puppy. Strong, yet with plenty of quality. Very attractive head with enough width of skull, excellent ears. Correct stop and length of muzzle. Very good rise of neck. Firm topline. Short enough in his body. Well angulated both ends. A very good mover from all angles. Lovely coat, very well trimmed.

Junior Dog (2) 1 Javidel May You Never: Thirteen months old, very attractive dog, short and compact. Typical head, masculine, well proportioned with good ears and lovely expression. Moderate neck. Deep and capacious chest and body. Firm topline. Well set tail if rather curled. Excellent coat quality, well trimmed. Sound mover.

Post Graduate Dog (2) 1 Belleville Wordsmith: Masculine, strong, short-coupled dog with quality. Good width of skull, but would prefer some more rise of brow. Excellent ears. Very good rise of neck. Short, firm and compact body. Moderate angulation both ends. Pleasing tailset. Excellent coat, well trimmed. Very parallel mover coming and going. **2 Watercroft Cosmic Dust:** Another attractive dog, if shorter legged. Very compact in his body. Attractive, masculine head with excellent expression. Could do with some more length of neck. Well angulated both ends. Excellent body, deep and capacious. Excellent coat, well trimmed. Moved moderately well.

Limit Dog (3) 1 Watercroft Chilli Bean: An attractive, sound and very masculine dog. Typical head and expression, but could not have a longer muzzle. Very pleasing nape of neck, which is well set into shoulder. Firm topline. Not the very shortest of bodies. Well set and carried tail. Well angulated both ends. Excellent coat and trimming. Excellent mover. **2 Watercroft Moon Dust:** Smaller dog of excellent size, black and tan, just masculine enough. Attractive head, ears and expression. Very moderate neck. Firm topline, short-coupled body. Well set tail, if less well carried. Moderate angulation both ends. He moved quite well from all angles. **3 Littlemount Celyn Y Mor**

Open Dog (3) A very strong class with three excellent dogs. 1 Belleville Playmate: A top quality dog with excellent balance and proportions, overall very well made, he really caught my eye from the very beginning. Excellent length of muzzle, enough width of skull. Pleasing ears. Very good rise of neck. Excellent topline, short-coupled, well set tail. Balanced angulation both ends. Excellent coat quality, well trimmed. A very attractive mover, active, energetic and sound from all angles. CC & BOB. **2 Ch Watercroft Tiger Feet JW:** Another very attractive and typical dog, strong and masculine. Attractive head with good skull and expression. Moderate neck. Short and cobby body with excellent topline. Lovely forechest. Deep and capacious chest. Excellent coat, well trimmed. He is a sound, functional and powerful mover. RCC. **3 Ch Kinsridge Cash Point**

Special Beginners Dog (1) 1 Littlemount Celyn Y Mor: Strong, masculine dog with an excellent temperament. Strong head with good skull. Medium neck. Firm topline, compact. Well set tail, well carried. Excellent coat and trimming. Moved medium well from the side, needs to firm up in elbows. Best Special Beginner

Minor Puppy Bitch (2) 1 Kinsridge Takes The Biscuit: Seven month old, lovely, feminine, short-coupled and compact bitch of excellent type and quality. Feminine head. Correct length of muzzle, but needs to develop some more strength with maturity. Excellent ears and lovely expression. Medium neck. Firm and short in topline. Well set tail. Well angulated behind. Well trimmed coat of excellent structure. A sound and positive mover from all angles. Best Puppy. **2 Bruperhat Spirit Of Freedom:** Another attractive bitch puppy, six months old and looking her age, still not fully grown up on her legs. Attractive head and expression. Firm topline, good tailset. In a very good jacket. Typically puppyish in movement, but still sound and balanced.

Puppy Bitch (4) 1 Watercroft Toffee Nosed: Black and tan, attractive, feminine short-coupled bitch. Stacks very well and puts very good weight on her front legs. Typical, feminine head, dark eyes, good ears. Moderate neck. Firm topline, well set and carried tail. Excellent coat, well handled. Balanced mover. **2 Belleville Full Of Hope:** Feminine bitch, a bit rangier than the winner. Feminine head, her eyes are rather round, but stark. Good reach of neck, well set into shoulders, onto a firm topline and well set tail. In a very good coat. Lively and active mover, light on her feet. **3 Jaeva Ring Tone**

Junior Bitch (3) 1 Watercroft Maybellene: Smart bitch, well proportioned and with an attractive outline. Feminine head with correct length of muzzle. Neck of moderate length, well set into shoulders. Short, compact body. Well set and carried tail. In a very good coat, well trimmed. Well handled and moved well from all angles. **2 Noragad's Royal Flush With Jaeva:** Black and tan bitch with very attractive proportions and frame. Excellent head with beautiful expression. Medium neck, could be better set. Short and compact body. Not the tailset of the winner. Excellent coat and well trimmed. Another sound and effective mover. **3 Javidel May To December**

Post Graduate Bitch (5) 1 Watercroft Fairy Dust: Very attractive, compact black and tan bitch. Typical, feminine head, if a little heavy in ears. Strong neck, well set. Excellent forechest and layback of upper arm. Deep and capacious body. Excellent bone. Firm topline, well set tail. Balanced angulation both ends. Excellent coat, well trimmed. A very sound and co-ordinated mover. She rose to the occasion in the challenge and against her similar kennel mate won the CC. **2 Bruperhat Bumbles Legacy:** A bitch who excelled in side movement. She has quality, but could do with some more substance and body. Expressive head with correct length of muzzle and very good ears. Pleasing neck and topline. Tail not her fortune. Excellent coat, well trimmed. **3 Belleville Hold The Line**

Limit Bitch (4) 1 Bruperhat Spirits Gift: Feminine bitch of quality, she stood very well over her legs and feet. Attractive, feminine head, good ears. Pleasing rise of neck. Not the shortest of bodies, but reasonable. Well set tail, if gayly carried. Excellent coat quality, well trimmed. Very effortless on the move, keeping her balance. **2 Watercroft Crafty Monkey:** Strong bitch, attractive, if a little butch. Typical head, lovely expression. Good rise of neck. Could be shorter in back, excellent depth and width. Lovely coat, well presented. Sound, efficient mover. **3 Brickin Dare To Dream**

Open Bitch (7) 1 Ch Watercroft Back In A Jiffy: Attractive black and tan bitch, excellent type and proportions, compact and short-coupled. Very attractive, feminine head, lovely eye, excellent ears. Medium neck, well set. Strong and firm topline. Deep and capacious body. Well set and carried tail. Excellent coat and very well presented. Moved soundly from all angles, keeping her balance, but could make better use of her neck on the move. RCC. **2 Javidel Handmayds Tale:** Another typey and very attractive bitch of excellent proportions. Attractive head and expression, correct stop. Good neck into shoulder and excellent forechest. Excellent coat. Well set tail. Somewhat disappointing on the move as she became bum-high and did not extend enough with her hindquarters. **3 Watercroft Quick As A Flash To Germanus**

Special Beginners Bitch (1) 1 Kinsridge Pink Diamond: Very feminine bitch who needs more substance and to body up. Pleasing head with good width of skull and pleasing length of muzzle. Firm topline. Tail could be higher set. Normal movement from all angles. Not in the best of coats on the day.

Thank you for the good entry, the hall with its grates under the carpet and the noise was off-putting for quite a few young exhibits resulting in a couple of withdrawals. Many thanks to my stewards Joyce and Mark Collins.

Special Beginners Dog (1) 1 Harrison's Jacquidon Rich Tea: 3 years old, smart little dog who is a touch long for balance but full of type in head, cobbyness, coat and a very smart mover carrying himself with firm top-line, a touch long in muzzle but good skull, eye and expression, BSB.

Puppy Dog (4) 1 Owens' Brickin A Wish Away: 8 months, forward in body and rib and with good coat, good head proportions and wide jaw, can be better in front action. **2 Gee's Watercroft Copywrite:** 6 months, raw baby of lovely coat and colour and he moved smartly, good quarters, legs and feet, needs time to develop in rib and head.

Junior Dog (2) 1 Smith's Javidel May You Never: 13 months, compact and cobby, coat of good texture but making him look a touch short in neck, good skull, muzzle can be wider, very good rear action, can firm up in front, BJ.

Post Graduate Dog (6) 1 Thompson-Morgan's Belleville Wordsmith: 2 year old, top size dog but scored in cobbyness and coat to win this, good skull, foreface a touch long, good legs and feet and good quarters, could be a little shorter in couplings. **2 Gee's Watercroft Chilli Bean:** 22 months, he has a lovely neck and shoulder and used

his good quarters well, looks a little long at the moment as he is not finished in rib and is between coats, good mover especially in rear. **3 Wren's Jaeva Strut Your Stuff.**

Limit Dog (3) 1 Gee's Watercroft Moon Dust: 19 months, black/tan, small and low to ground but moved freely with good quarters, good head proportions, I would prefer a wider jaw, good quarters, tail a little tight. **2 Harrison's Jacquidon Rich Tea. 3 Darnell's Jacquidon Hot Off The Press.**

Open Dog (3) 3 dogs of different types. 1 Thompson-Morgan's Belleville Playmate: 2 years old, comfortable winner of this class, combines cobbyness with freedom of action, excellent neck and shoulder giving him good reach in front, in excellent coat, good head proportions and wide jaw, DCC & BOB. **2 Gee's Ch Watercroft Tiger Feet JW:** 2 years, a little longer for balance, good bone and feet and good rear action, good coat, top-line and tail set, I preferred ribs and front action of winner, won this place on top-line and rear action, RDCC. **3 Jenkins' Ch Kinsridge Cash Point.**

Veteran Bitch (1) 1 Philip's Nordalset Warm And Fuzzy: 7 years old, in good form, carried herself well, well ribbed and with good quarters, could be tighter in front movement and feet, feminine head and dark eye, top-line just a touch slack today, BV.

Puppy Bitch (7) 1 Gee's Watercroft Toffee Nosed: 9 months, black/tan, compact and cobby, she is low set with good head and jaw, I'd prefer a little more bone, good mover. **2 Tate's On The Run at Jaeva NAF TAF:** 8 months, lovely puppy in excellent coat and with very good head, needs a touch more neck and this will be helped when she loses a little weight, a touch wide in front action but she has lovely type. **3 Jenkins' Kinsridge Takes The Biscuit.**

Junior Bitch (6) 1 Tate's Jaeva Ring Tone TAF: 11 months, lovely puppy, short and very well balanced, lovely head with good skull, good bone, excellent tail set, when she settled went well and had the finish of rib and body to take BP. **2 Smith's Javidel May To December:** 15 months, excellent body and in good coat, cobby with excellent quarters, excellent rear, I preferred foreface and front action of winner. **3 Mullan's Watercroft Maybellene.**

Post Graduate Bitch (3) 1 Gee's Watercroft Fairy Dust: 19 months, lovely black/tan who appealed greatly on the table and she went very well at both ends, in excellent coat, very good top-line and tail carriage, pressed hard for RBCC. **2 Jones' Jaeva Runner Duck:** Almost 2 years old and cobby and compact and in excellent coat, good head proportions, could be cleaner in front action, won this place on rib and coat. **3 Thompson-Morgan's Belleville Hold The Line.**

Limit Bitch (5) 1 Brackner's Brupurhat Spirits Gift: 2 years, won on her proportions and movement to take this class, good skull, could be stronger in foreface and her ears are little heavy, excellent top-line, her tail is too tight, shown in good coat. **2 Gee's Watercroft Crafty Monkey:** 2 years, heavier bitch who is a little long for balance, very good bone and good head, top-line a little soft today, perhaps because she was in full season. **3 Stevenson's Brickin Dare To Dream.**

Open Bitch (5) 1 Gee's Ch Watercroft Back In A Jiffy: 2 years, black/tan, lovely bitch for proportions, coat and top-line, tail a little tight, excellent bone and rib, moved well at both ends, feminine head but with good width, BCC. **2 Jenkins' Ch Kinsridge Brownie Point:** 2 years old, red, lovely proportions and movement, lacking in coat today, excellent head and expression, movement, top-line and tail gave her the RBCC. **3 Smith's Javidel Handmayds Tale.**

MCNTA held a Championship show in conjunction with Birmingham City Ch Show. Many congratulations to the committee for rearranging the show in difficult circumstances. I was thrilled to receive such a big entry but also acknowledge the quality in depth throughout.

Special Beginners Dog (2) 1 Ward's Littlemount Celyn Y Mor: Apparently, I have placed this smart dog in a Spec Beg group, so it was interesting to see him in the breed, he is of lovely type with a quality head and eye, true front with big ribs, lovely topline and tail set in super hard coat. **2 Harrison's Jacquidon Rich Tea:** A smaller dog than the winner, and not as finished looking, he has a good front and pleasing topline

Minor Puppy Dog (4) 1 Jenkins' Royal Osito Rebel Rouser at Kinsridge (imp Esp): A sweet baby, full of breed type. At the moment is raw and needs time. Having said that the essentials are there, happy temperament and such a clear colour. **2 Gee's Watercroft Copywrite:** A richly coloured youngster of good type, alert and interested in

everything around him, very showy, he too needs time. **3 Thompson-Morgan's Tinkave In The Groove with Belleville**

Puppy Dog (2) 1 Thompson-Morgan's Belleville Hope Alert: I thought this dog was very promising, well grown with a very attractive head, neat ear lovely front and well ribbed, with a good topline. He was very unsure of himself on the move which I feel sure will improve with more experience

Yearling Dog (1) 1 Gee's Watercroft Moon Dust JW: A B/T of very good type, short and compact, lovely neck and shoulders, enough bone for his size, true in front both standing and moving, well set tail, wiry coat of clear colour

Post Graduate Dog (3) 1 Thompson-Morgan's Belleville Wordsworth: A dog of good type and size, he has a balanced head and enough width, correct mouth well placed shoulders, onto a well ribbed body. His coat was wiry and well presented. **2 Davis' Watercroft Cosmic Dust:** A shorter dog of again good type and size, typical head and eye, well placed shoulders, onto a true front, compact and showed steadily. **3 Wren's Jaeva Strut Your Stuff**

Limit Dog (4) 1 Smith's Javidel May You Never: A very attractive, richly coloured red dog of good type, well proportioned head, super pigment, well boned front, level topline with big ribs, sound coming and going. **2 Darnell's Jacquidon Hot Off The Press:** A larger dog with much to like, has well sprung ribs and enough substance, well shaped head and pleasing in front construction. **3 Ward's Littlemount Celyn Y Mor**

Open Dog (2) 1 Jenkins' Ch Kinsridge Cash Point: A very short and compact male, quality head with width and balance, dark eye, neat ear carried correctly, with well placed shoulders onto a well ribbed body, good turn of stifle. His coat was of good texture and had been well prepared. On the move he is sound, showed well keeping his outline and looked a picture CC and BIS. **2 Gee's Watercroft Chilli Bean:** Another well constructed dog again of correct type, attractive head and dark eye, good front construction, with correct ribs lovely tail carriage in great coat and condition
RCC

Champion Dog (2) 1 Gee's Ch Watercroft Tiger Feet JW: Only two present but both competing hard for first place, a mature looking dog with a clean outline, in super coat and condition, he is so sound on the move with lovely ribs and substance. **2 Thompson-Morgan's Ch Belleville Playmate:** So similar to the winner for size and shape, attractive head and eye, well ribbed and with a good tail set, on the day the winner was showing a longer stride.

Minor Puppy Bitch (4) 1 Jenkins' Kinsridge Takes The Biscuit: A promising youngster full of breed type and quality, balanced in head, dark eye neat ear, with a very appealing expression, truest of fronts, well ribbed for her age, sound and free moving Best Puppy. **2 Brackner's Brupurhat Spirit Of Freedom:** A 6 months baby of correct type, she has a lovely outline with a quality head giving a sweet expression, has potential. **3 Gee's Watercroft Chinwag**

Puppy Bitch (3) 1 Gee's Watercroft Toffee Nosed: A B/T who is very gassy in showmanship, ultra short and compact, lovely outline sweet head. **2 Thompson-Morgan's Belleville Hold The Line:** Another B/T who is a touch larger than the winner, she presents a good outline as her topline is level and flows from her shoulder placing true front. **3 Tate's Jaeva On The Run TAF**

Junior Bitch (2) 1 Smith's Javidel May To December: This bitch is of good type and came in the ring with confidence but became more unsettled as the class progressed, a pity. The other exhibit withdrew as she too was unsettled, two promising youngsters

Yearling Bitch (1) 1 Gee's Watercroft Crafty Monkey: A lovely outline but a fraction bigger, quality head with a defined stop and correct eye, well placed ears. True front with ample bone, lovely rib and coupling again in good coat

Post Graduate Bitch (6) 1 Brackner's Brupurhat Bumbles Legacy: A well schooled bitch of good type and correct size typical head properties, with a well ribbed body. Well placed shoulders carrying a good topline, muscular quarters, RCC in good competition. **2 Tate's Jaeva Ring Tone:** Only 11 months and gave the winner a run for her money, she is a super rich red colour with well placed shoulders and a true front, obviously needs time but has a lot of potential. **3 Gee's Watercroft Fairy Dust**

Limit Bitch (6) 1 Brackner's Brupurhat Spirits Gift: Another with a lovely outline and full of breed type, good for size and overall balance, well ribbed and carrying a coat of good texture. Showed steadily. **2 Atkinson's Moortop Bobby's Girl:** An active bitch and very appealing, sweet head and expression, well constructed and gives of her best on the move

Open Bitch (2) 1 Smith's Javidel Handmayds Tale: Another rich red from this prefix, super coat texture, compact and well ribbed, true front and level topline well set tail, muscular quarters. **2 Geary's Watercroft Quick As A Flash to Germanus:** Similar to the winner for size and shape but not as forward in coat, although she has little to hide, short and well ribbed

Champion Bitch (1) 1 Gee's Ch Watercroft Back In A Jiffy: A gorgeous B/T in tight fitting coat of lovely texture,

attractive balanced head, correct mouth giving a good expression. Truest of fronts on a short well ribbed body, powerful quarters, deep colour, Showed so well and moved soundly. CC

Veteran Bitch (1) 1 Brackner's Brupurhat Wedding Crasher: A sweet veteran who was there to please, of good type and of such clear colour and of correct texture, true front, pleasing outline

Veteran Dog (1) 1 Nash's Ralph Of House Nash At Raphiggy ShCEx VW: A 9 ½ year old and in good condition and coat for his age, presented and handled well. Head of the correct proportions, dark eyes and the correct bite, neck well set on, I would prefer more lay back of shoulder, deep brisket, ribs carried well back, level topline. Strong rear quarters and he moved soundly, pleased to award him, Best male veteran and Best Veteran dog and best Veteran in breed.

Minor Puppy Dog (1) 1 Jenkins' Royal Osito Rebel Rouser At Kingsbridge (IMP ESP): A 6 month old red, a very happy and lively puppy, he coped well with the conditions, his head is of the correct proportions, ears well set on, dark eyes and the correct bite and dentition. Correct length of neck, level topline, nicely angulated front and rear quarters, ribs well carried back and the correct length of loin. Correct tail set and his movement was sound and true, a very promising puppy.

Puppy Dog (2) 1 Thompson-Morgan's Belleville Hope Alert: An 11 month old red, another lively youngster with an excellent temperament, showing the correct and balanced outline for the breed, head of the correct proportions, dark eyes and correct bite and dentition. Ears well set, medium length neck, well laid shoulders, deep brisket and a good spring to his ribs, ribcage carried well back and the correct length of loin. Level topline, tail well set on and nicely angulated rear quarters, a little naughty on the move but when steady he is sound and true, another very promising youngster, pleased to award him Best puppy dog.

Yearling Dog (1) 1 Gee's Watercroft Moon Dust: A 20 month old, balanced and in proportion, broad skull, correct length of muzzle, bite correct, strong neck, well laid shoulders and upper arms, deep chest and ribs carried well back, level topline. Coat of the correct texture, tail correctly set, and hindquarters have a good turn of stifle, he has a lively disposition and moved soundly.

Post Graduate Dog (3) 1 Nash's Earthtaw Owain The Celt At Raphiggy JW: A 2 year old substantive male, masculine throughout, head of the correct proportions, broad skull, correct length of muzzle, dark eyes and a strong

neck, well laid shoulder blades and upper arms, deep brisket, ribs carried well back and a strong loin. Level topline, correct tail set, nicely angulated rear quarters, coat of the correct texture and he moved soundly. **2 Davis' Watercroft Cosmic Dust:** A 21 month old red, I preferred the head proportions of the first placed dog, but his head is balanced and in proportion, well set ears and correct length of muzzle, and the correct bite. Medium length neck deep brisket and a well sprung ribcage, ribs carried well back, level topline, and tail set on correctly. Coat in good condition and texture, he moved soundly with reach and drive. **3 Clarke's Watercroft Pickled Pudding.**

Open Dog (3) 1 Gee's Ch Watercroft Tiger Feet JW: A 2 year old red, masculine, balanced and in proportion, broad skull and a strong muzzle, well set ears, dark eyes and the correct bite. Medium length strong neck well laid back shoulders and upper arms, deep brisket, well sprung ribcage, correct length of rib and strong loin, level topline. Coat in good condition and of the correct texture, he moved soundly showing reach and drive in profile, very pleased to award him the CC today. **2 Thompson-Morgan's Belleville Wordsmith:** Another quality red male, being 2 years old and in good condition, correct coat texture, head of the correct proportions, strong muzzle, dark eyes and the correct bite. Nicely angulated front and rear quarters, deep chest, well sprung ribcage, level topline, correct set of tail, stifles well bent, despite the uneven ring his movement was sound and true, I am sure on another occasion he will take top honours, pushed hard for the CC but pleased to award him the RCC today.

Special Beginners Dog (1) 1 Clarke's Watercroft Pickled Pudding: A 2 year old red, not as masculine as I would like, but well put together, balanced head, dark eyes and the correct bite, well set ears, nicely angulated front and rear quarters, coat in good condition, his movement although a little unsettled was sound and true, Best special beginners.

Minor Puppy Bitch (1) 1 Jenkins' Kinsridge Takes The Biscuit: An 8 month old red, typical in outline being balanced and in proportion, feminine but with substance, lovely head of the correct proportions, broad skull and a strong muzzle, dark eyes and the correct bite. Correct length of neck, level topline and nicely angulated front and rear quarters, coat of the correct texture, she is lively with an endearing character, not an ideal ring surface but she coped well, and I was able to see that she is sound and true showing reach and drive in profile, one to watch for the future. Very pleased to award her, Best Puppy Bitch, Best Puppy in Breed and RCC Bitch.

Puppy Bitch (3) 1 Thompson-Morgan's Belleville Hold The Line: A 10 month old B/T with a lovely disposition, feminine but with substance, broad skull, dark eyes and well set ears, correct length of neck, nicely angulated forequarters, deep chest and ribs carried well back, level topline and well bent stifles, coat in good condition with the correct texture. She moved well, being sound and true. **2 Gee's Watercroft Toffee Nosed:** Another 10 month old B/T, a slightly smaller bitch but again very feminine with the correct balance and typical outline. Head of the correct proportions with a gentle expression, well balance front and rear quarters, level topline and tail well set on, she moved as well as she could considering the conditions in the ring.

Yearling Bitch (2) 1 Gee's Watercroft Crafty Monkey: A 20 month old red, feminine and substantial throughout, balanced and in proportion, broad skull, strong muzzle, dark eyes and the correct bite. Strong neck, well laid shoulders, deep brisket, well sprung ribcage and ribs carried well back. Level topline, well bent stifles, coat in good harsh condition, she moved steadily with reach and drive in profile.

Open Bitch (2) 1 Gee's Ch Watercroft Back In A Jiffy: A 2 year old B/T, a substantial bitch with a very typical and balanced outline, she is compact with a level topline, head of the correct proportions, strong muzzle, dark eyes and the correct bite, ears well set on. Well laid back shoulders and upper arms, deep chest, well sprung ribcage and a strong loin. Coat in good condition with the correct harsh texture, a very attractive and well put together bitch, she moved well showing reach and drive in profile, I was very pleased to award her the Bitch CC and BOB. **2 Jenkins' Ch Kinsridge Brownie Point:** A 23 month old and another quality bitch, I preferred the head of the 1st placed bitch but overall, she is a good example of the breed, dark eyes, correct ear set and the correct bite. Strong neck, well laid shoulders, deep chest and a well sprung ribcage, ribs carried well back and strong loin. Level back, correct tail set and well bent stifles, she moved well, being sound and true.

Special Beginners Bitch (1) 1 Towey's Earthtaw Morwenna: A 4 year old B/T she is a little fine throughout, and I would prefer more lay back of shoulder, head of the correct of proportions, dark eyes and the correct bite. Level topline and nicely bent stifles she moved a little erratically but is sound and true.

Firstly may I thank the committee for this invitation and to the exhibitors for such a large and quality entry, one thing I found worrying was quite a lot of poor movement, lots of exhibits 'goose step-in front and go close behind, I do hope breeders will address this as I see it as detriment to this lovely breed.

Minor Puppy Dog (3) 1 Jenkins' Royal Osito Rebel Rouser at Kinsridge: Beautiful head with correct dark eye giving keen expression, good reach of neck, short coupled, has the makings of a lovely adult, good behind, a little high

stepping in front. **2 Smith's Javidel Mayday Mayday:** Very nice puppy who I think needs to drop in body, but I expect this to come with maturity, not quite together in his movement but I think again this will come with age.

Puppy Dog (3) 1 Gee's Watercroft Easy Tiger: Exceptional puppy dog who is lovely in profile, presented in beautiful red jacket and shows so well, I will watch as I think he has a bright future, BPD, BPIS. **2 Owens' Brickin A Wish A Way:** Lovely head on this puppy, at the moment he is turning out his front feet and moving close behind.

Junior Dog (3) 1 Smith's Javidel May You Never: Nice red boy in super jacket, he is compact and very tidy, will keep a keen eye on him. **2 Thompson-Morgan's Belleville Hope Alert:** The best of heads, proportions, keen dark eyes, has lovely reach of neck flowing into good shoulders, has lots of potential but did not seem too happy today.

Yearling Dog (2) 1 Morgan-Thompson's Belleville Infamous Colin: What a great name, very masculine throughout with a lovely outline, super head and expression, moved soundly with good bone. **2 Gee's Watercroft Moon Dust JW:** Small compact dog in lovely black and tan coat, true Norfolk head, short back and good angulation, have admired him on many occasions, just thought today he was a little heavy through his neck and shoulders.

Novice Dog (1) 1 Gee's Watercroft Copywrite: 10 month old dog who seems to be a slow maturing type, needs more time.

Post Graduate Dog (3) 1 Davis' Watercroft Cosmic Dust: I have admired this red dog a lot, he is very well off for bone and substance and has lots of breed type, played up his handler today but onward and upward. **2 Nash's Earthtaw Owain The Celt at Raphiggy:** Lovely headed black and tan who was well turned out, good bone but tends to stand under himself at the rear.

Limit Dog (4) 1 Wren's Jaeva Strut Your Stuff: Lovely head and ears, presented very well, well off for bone but another with high stepping front action.

Open Dog (2) 1 Thompson-Morgan's Belleville Wordsmith: Oh wow were the first two words in my notes, what a true stallion of a dog with lovely ring presence, good through neck and shoulder and the most outstanding head and expression, moved with great style, delighted to award him DCC, his first, BIS. **2 Gee's Watercroft Chilli Bean:** A cobby young dog in lovely harsh coat and good order, presented well as always and showed well for his talented handler.

Champion Dog (2) 1 Thompson-Morgan's Ch Belleville Playmate: A very worthy champion dog who moves with drive and determination, has an elegance about him but still true to type, beaten today by his kennel mate, RDCC. **2 Gee's Ch Watercroft Tiger Feet JW:** Another worthy champion, difficult class to judge, quality dog with lovely head and eye, nice layback of shoulder and super top-line, moves soundly keeping his top-line on the move.

Veteran Dog (2) 1 Nash's Ralph Of House Nash at Raphiggy: This 9 year old is in very good order, super harsh coat with great ring presence, still enjoys his showing. **2 Atkinson's Moortop Mymark Again:** What a dear veteran dog, he looked so happy to be at the show and it was obvious how fond he is of his owner handler, not in his best coat today, but lovely to see him.

Special Beginners Bitch (1) 1 Towey's Earthtaw Morwenna: Well done to this special beginner as her pretty bitch was groomed and turned out very well, she also showed well for her handler.

Minor Puppy Bitch (3) 1 Thompson-Morgan's Belleville Sky Full Of Stars: A lovely baby in very good coat who looks to have a bright future, again a little high stepping in front movement. **2 Stevenson's Brickin Real Dream:** Another promising puppy who was a very correct mover, both fore and aft, sadly she was not in the best of coats.

Puppy Bitch (4) 1 Jenkins' Kinsridge Takes The Biscuit: Very good make and shape throughout, loved her head and expression, neat ears and good eyes, nice flow of neck and short back, shown in a super harsh jacket. **2 Thompson-Morgan's Belleville Counting Stars:** Super puppy who is litter sister to minor puppy winner, same remarks apply, very balanced and with lovely bone, excelled in hindquarters.

Junior Bitch (3) 1 Smith's Javidel May To December: Nice red bitch with super head, dark eye, neat ears and foxy expression, she got a little upset by loud barking but settled and was confident in her handler. **2 Thompson-Morgan's Belleville Firestar:** Another girl from same litter, at just 6 months she lost out today due to lack of maturity.

Yearling Bitch (2) 1 Gee's Watercroft Crafty Monkey: Really loved this bitch, although alone in this class she stood out as something special, I loved her size and she has plenty of bone, gorgeous head and expression, a very balanced girl who impressed me with her sound movement, pressed hard for RBCC.

Novice Bitch (2) 1 Gee's Watercroft Tiger Lilly: Very attractive young lady, nicely balanced, neat all through, feminine head and expression, presented in super coat and condition, super bone, moved well, BPB & RBPIS. **2**

Thompson-Morgan's Belleville Scarlet Starlet: Neat little bitch with feminine head and expression, in good coat and condition, was slightly toeing in on the move.

Post Graduate Bitch (2) 1 Jones' Jaeva Runner Duck: Lovely headed bitch, neat ears, dark expressive eyes, was well handled and showed well, a little short of coat today.

Limit Bitch (5) 1 Brackner's Bruperhat Spirits Gift: A bitch I have watched with interest since her puppy class, I love her cobby make and shape, good neck, short back, plenty of good bone, maturing well and today just had that little something which gave her top honours, BCC & RBIS. **2 Dragon & Tate's Noragad's Royal Flush with Jaeva:** Very smart black and tan, loved her size and overall make and shape, another high stepping front action.

Open Bitch (3) 1 Gee's Watercroft Fairy Dust: Lovely black and tan of great size, nice neck and shoulders, short back, good hindquarters, good amount of bone, good coat beautifully presented, showed really well. **2 Smith's Javidel Handmayds Tale:** Good head and expression, lovely size with cobby body, sadly not in her best coat today.

Champion Bitch (3) 1 Gee's Watercroft Back In A Jiffy: What else is there to say about this beautiful black and tan bitch, very correct throughout, compact, good neck and shoulders, short backed, make the best of herself and shows well, today she just seemed to lack a bit of sparkle, a very worthy champion, RBCC. **2 Thompson-Morgan's Belleville Hope Star:** Another worthy champion in lovely harsh red jacket, liked her reach of neck and layback of shoulder, presented well as always.

Veteran Bitch (1) 1 Atkinson's Moortop Clear Choice: At 9½ years old this little dog was enjoying her day out, she is obviously devoted to her owner, this was clear to see, very animated and in good order.

I was very pleased to judge the Special Awards Classes at the show. Thank you for the invitation and wonderful hospitality.

Junior Dog/Bitch This was a lovely class from top to bottom and it will be nice to see these young ones mature. **1 Thompson-Morgan's Belleville Hope Alert:** 13 month old dog showing great breed type, a lovely compact young dog with excellent coat, lovely head with good width of skull and correct ear placement, plenty of bone with straight front legs and nice round feet, compact body with good tail set, excellent muscling of hindquarters giving plenty of drive and correct movement from all angles. **2 Gee's Watercroft Copywrite:** 8 month old dog pup, lovely type dog again, attractive and masculine head, nice and short on the front leg, well balanced and super compact little dog, excellent topline, deep chest and good spring of ribcage, correct movement fore and back but yields in hindquarters to 1 although I am sure this will come with age. **3 Jenkins' Royal Osito Rebel Rouser At Kinsridge (IMP ESP)**

Open Dog/Bitch Much more variation in this class compared to the Junior Class. **1 Gee's Watercroft Crafty Monkey:** 22 month old bitch, feminine representative of the breed with nice overall type and balance with a nice length of neck into a well laid back shoulder giving good extension in movement when viewed from the side. The forelegs were correct length giving good overall balance with a short strong loin and a level topline, nice tail with good placement, good bend of stifle and well let down hock. Excellent presentation and coat. **2 Thompson-Morgan's Belleville Wordsmith:** 2 year old dog, a nice overall picture with a superb coat, good head with distinct stop, correct shape to skull and nice expression, good bite, good bone and straight legs giving correct movement away and back but yielding to 1 in shoulder placement and movement from the side. Perfect level topline but would prefer tail set a bit higher to improve balance and length throughout. **3 Geary's Watercroft Quick As A Flash To Germanus.**

Honoured to be invited to judge at this club Christmas Show today, such a well-run homely type show. Such a pity some people were affected by the horrible weather and storm warning this weekend. Such good young exhibits today with lovely puppy dog and bitch.

Minor Puppy Dog (2) 1 Gee's Watercroft Goldfinch: Only 6 months old but could see the breed type already, lovely head with broad skull and nice dark eye. Blessed with good angulation and well balanced which gave good movement when he was settled. **2 Hess & Higgins' Umbrage July In Paris:** Another baby today, didn't have the head of 1 today but dark eye and nice body and substance with good tail set.

Puppy Dog (3) 1 Gee's Watercroft Easy Tiger: 9 months old boy of good type, masculine and well balanced who takes your eye. Nice broad skull, with good body and substance to match. Strong neck into well laid shoulders and a nice level topline. Good bone and neat feet. His movement was true and showed propulsion from the rear. **2 Jenkins' Royal Osito Rebel Rouser at Kinsridge (Imp Esp):** Not quite the body and substance of 1 and may take a little more time to mature but shows good head, correct angulation, has a nice tail set and was a showy boy who moved well.

Junior Dog (1) 1 Phillips' Wielenshoeve Thich Thich Boom At Jaeva (Imp Deu): A little tentative today at times but a lovely picture when settled. Nice skull and head proportions, showed good breed type and good angulation. Lovely topline and tail set with a strong rear end. Rich in colour and quality of coat.

Post Graduate Dog (4) 1 Daws & Toms' Jaeva Party Boy: Nice boy with good topline, showing and moving well. **2 Ward's Littlemount Celyn Y Mor:** Nice head and good tail set but seemed heavy around the shoulders today which impacted on his movement.

Limit Dog (3) 1 Davis' Watercroft Cosmic Dust: A balanced and well-proportioned head, with broad skull, well set ears and correct length of muzzle. Dark oval eyes and a kind expression. Compact and cobby body of good size, standing on well boned limbs. Good hindquarters and coat of good harsh texture. **2 Wren's Jaeva Strutt Your Stuff:** Nicely balanced head and a cobby outline. Broad skull, slightly rounded, lovely well-set ears and oval dark eyes, giving an endearing expression. Good body and bone. Holds a firm level topline, with a well set tail. Strong hindquarters provide good movement.

Open Dog (2) 1 Gee's Watercroft Chilli Bean: Stood alone but the quality was there to see. Young dog, nicely balanced, strong and masculine. Keen with a lovely strong head. Good topline and tail set with a good neck, shoulder placement and a strong loin. Very good on the move and held his level topline. Best Dog. Moved up a gear in the challenge moving with great drive, to win BIS.

Veteran Dog (2) 1 Atkinson's Moortop My Mark Again: 7 years old boy and still looking good on the move. Nice breed type with good angulation and lovely top line. Eyes a tad roundish but lovely and dark, keen and intelligent.

Special Beginners Dog (2) 1 Ward's Littlemount Celyn Y Mor.

Minor Puppy Bitch (3) 1 Gee's Watercroft Tiger Lilly: All round nice baby, plenty of body. Pleasing feminine head, good level topline and clean shoulders.

Puppy Bitch (4) 1 Jenkins' Kinsridge Takes The Biscuit: Lovely size girl oozes breed type and quality. Lovely feminine head with good ear placement, correct neck flows into good angulation which she uses on the move. Compact bitch with well spring ribs and a nice harsh coat. Pushed hard in the challenge and developing to be a future star in the breed. Best Puppy. **2 Ward's Littlemount Lili:** A little longer in body, friendly showy girl developing nicely, who stood and moved ok but unlucky to meet the winner today.

Junior Bitch (1) 1 Dragon & Tate's Jaeva On The Run: 12months youngster of good size and type, feminine in head with a friendly showy temperament.

Novice Bitch (2) 1 Gee's Watercroft Toffee Nosed: Young girl of lovely character, smaller is size but lively, smart, and has a great tail set. Stood well and showed she can move true once settled. **2 Ward's Littlemount Lili.**

Post Graduate Bitch (4) 1 Phillips' Wielenshoeve Time Will Tell at Jaeva (Imp Deu): A young black and tan girl with nice compact body and good tail set. Has tidy feet and a lovely coat. Typical head and moved well. Another one who stepped up in the final challenge to win RBB. **2 Hess & Higgins' Umbrage Special Delivery:** Nice head and body with a good tail set. Moved Ok but a bit wide.

Limit Bitch (3) 1 Dragon & Tate's Noragad's Royal Flush With Jaeva: 18 months Blank and Tan, lovely overall balanced picture. Lovely in head with lovely dark eyes. Good body with correct tail set and moved very well. **2 Atkinson's Moortop Bobby's Girl:** Nice Head with ears ok. Good topline and nice angulation. Movement ok but not as good as 1.

Open Bitch (2) 1 Gee's Watercroft Crafty Monkey: Beautiful young red bitch of a lovely overall type and balanced outline in good coat. Compact strong body, with good substance and bone. Lovely head, with slightly rounded broad skull, well placed ears, good stop, strong muzzle, dark eyes and correct bite. Good reach of neck, straight front legs, well laid shoulders, deep brisket, well sprung ribcage, ribs carried well back and short loins. Level topline, well-muscled hindquarters with good turn of stifle. Good reach and drive movement. Best Bitch.

Veteran Bitch (2) 1 Macartney's Ivrig Dancing In The Sun: Nice breed type with good topline, tail set and neat feet. Showed and moved well. **2 Atkinson's Moortop Clear Choice:** Petite girl, dainty and lively, still fit at 10 years old. Nice topline and tail set and moved well.

Special Beginners Bitch (1) 1 Ward's Littlemount Lili: Best Sp Beg.

I have been waiting for some time to award CC's to this ultra charming breed which is so full of character. The entry of 41 on paper was satisfying for a Thursday. All temperaments were excellent and all were presented in excellent condition.

Puppy Dog (4) 1 Gee's Watercroft Goldfinch: 6 months old but showing like an old hand. Good width in skull with plenty in foreface with correct dentition. Correct oval shaped eye which was giving off an alert expression. Neck is of medium length. His body is short and compact. Good bone with tight round feet. Once settled he moved out with true purpose. Should go on to bigger and better things with more maturity. **2 Hess' Umbrage July In Paris:** Another six months old exhibit with many of the winner's attributes. Head, eye and expression all good. Cobby in body, correct bone with round feet. Just needs to settle on the move. In time this will happen. **3 Jenkins' Royal Osito Rebel Rouser at Kinsridge (Imp Esp):** 10 months. He scores in head which has good width in his skull. Keen in eye, moderate in neck with good bone and neat round feet. On the stack I would have preferred a shorter loin which would make him more compact, but he did move out well.

Junior Dog (3) 1 Gee' Watercroft Easy Tiger: 9 months and is out of the top draw. Correct proportions in head with good width in skull with strength in foreface and good dentition. He is oval in eye, whilst giving off a pleasing expression. Moderate in neck with good fill in forechest. His body is compact with excellent ribbing. Solid in topline which leads to a firm loin. He stands on quality bone with tight round feet. On the move he displayed accurate footfalls on the out and back whilst holding an eye-catching profile on the go around and was presented in excellent coat and condition. Whilst I was mindful of his tender age in the line-up, he was not to be ignored, so today BP and the RCC.
